3. Enter your order details.

Important note: If you would like to enter additional order information (e.g. internal order or reference number) for the order, you can do so here. These will be noted in the offer as well as on the invoice. You will then receive an e-mail containing the offer as a PDF including a link to accept the offer.

If you do not have a purchase order number at the time of the offer request, please do not use the "offer acceptance link" from the sent e-mail for the order, as no internal references can be entered in this step. Simply start a new order process via the e!Sankey Online Shop website.
